Remarks

Exceptional estate overlooking the Monocacy Creek! This exquisite home features a mix of old world charm & modern touches throughout! Nearly 2 Acres of land! Gorgeous open floor plan boasts a large gathering room with cathedral ceilings, hardwood floors, propane gas fireplace insert and wall of windows! Entertaining is a breeze within this custom kitchen featuring an eat at island with downdraft cooktop, Subzero refrigerator, Corian counters, an abundance of cabinets, wet bar, work space & built in desk! Adjacent sunroom can easily be used as a flex space with plenty of windows for unobstructed views of the picturesque yard! Additional living room & dining room provide more space with custom built ins, another fireplace & access to the side patio! First floor master on-suite with hardwood floors, brick accents & modernized full bath with tile shower, custom vanity & walk in closet! Three additional bedrooms & another full bath will have you in awe of all the space this home provides! There is more! Second floor addition is perfect for an artist studio or princess suite featuring a full bath with shower! Two car garage with recent epoxy finished floor & access to the finished side of the basement! Serenity is apparent throughout the grounds of this home with the mature landscape.
